Michael David Churchwell

Michael,

God blessed us beyond measure the day you entered our lives. You have brought so much love and laughter into our lives. You have even taught us how to be affective prayers. You have always taken the path less traveled, not following the crowd. You have always loved all you could and shared all that you had. We are so proud of you and who you have become. As you take this leap from childhood into adulthood, remember we will always be here to love and support you in all that you do. Remember to walk the path that is lit with "His Light." Following Him will only bring you success.

With love, Mom & Dad - Jennifer & Trent
